

**POSITION:** AMERICORPS CREW LEADER

**DATES OF EMPLOYMENT:**

JANUARY 2ND – AUGUST 15TH

*Wilderness First Responder course in Laramie, Wyoming*

*Part-time during spring semester, full-time during summer semester*

**Submit WCC application, references, cover letter, and resume to: [wcc@uwyo.edu](mailto:wcc@uwyo.edu)**

**APPLICATION DEADLINE: November 27th, 2017 @ 5pm**

**THE MISSION OF THE WCC**

To promote individual development, stewardship, and education through localized national service.

**POSITION DESCRIPTION**

The Crew Leader role is an AmeriCorps position. Leaders will co-lead a crew of 6 members on ten-day, labor-intensive conservation projects around the state of Wyoming, living and working outdoors. Leaders will report to and take direction from the Program Coordinators. Activities will include, but are not limited to, project coordination with land management agency sponsors, camping, cooking, recreation, environmental education, and group learning programs. Leaders will also participate in WCC member recruitment, equipment purchasing and maintenance, and program evaluation. Crew Leaders are responsible for documentation of crew activities and for the physical and emotional well-being of the crew. Crew Leaders are required to fulfill an hourly commitment each week and one weekend per month during the spring semester. This will include the upper-division WCC Leadership for Natural Resource Management class in which leaders will be enrolled through the Environment and Natural Resources program. Crew Leaders will participate in some volunteer recruitment activities as well as a variety of other trainings. Schedule for completion of hours will be flexible.

**WCC PROGRAM SUMMARY**

The Wyoming Conservation Corps provides Wyoming's young adults with important personal, professional, and technical skills and experience in the natural resource and environmental career field, through projects focused on improving Wyoming's lands. Participants will gain first-hand experience dealing with Wyoming's complex landscape, providing them with real world skills and a deeper appreciation for the state's environmental challenges and riches. Upon completion of a term of service, the WCC program will provide financial support for higher education by awarding participants with AmeriCorps educational scholarships.
