

Student Conservation Association

# Historic Preservation Corps

Delaware Water Gap National Rec Area | Jul. 17 – Nov. 18

## 4 Month Corps Member Positions Available!

Members of the 2017 Historic Preservation Corps will engage, and in some cases, take the lead in preserving and stabilizing a variety of 18th through 20th Century buildings within the Delaware Water Gap NRA. Projects for 2017 have been selected to provide ample opportunity for members to practice and refine the following skills; window glazing, paint/stain removal & application, basic carpentry repairs, roofing repair, whitewashing, mortar repointing, and more. Successful completion of this program will see members gain proficiency with a variety of hand tools and power tools; special emphasis will be placed on traditional methods of woodworking.

Take advantage of this special opportunity to work beside knowledgeable professionals in the field of Historic Preservation while also cultivating the skills to become a better craftsman, educator, and conservationist.

### How to Apply:

1. Complete an Internship/Corps Application online at [thesca.org](http://thesca.org)
2. Add the promo code PO-00723385 to your application.
3. Contact Jamie Weleber, Program Manager at [jweleber@thesca.org](mailto:jweleber@thesca.org) or 406.585.0026 with any questions or for a fee waiver request.
